What do you want out of your project?

What is your motivation behind your project?

What is your time frame?

Do you have a needed completion date (holiday or company coming)?

--

Does your family have any special needs to consider in the space?

--

What is your overall budget for the project? Is this budget realistic?

--

Is what you're looking for a basic or major project?

--

Do you have a specific style or design you had in mind?

--

Do you want to change the existing layout?

What is your schedule?
